

QUANTI PESCI, CHE CAMPIONARIO,
IL MARE È DAVVERO STRAORDINARIO!

NE HO VISTI ALCUNI PARECCHIO INTERESSANTI
CHE NUOTANO TRANQUILLI UN PO' PIÙ AVANTI

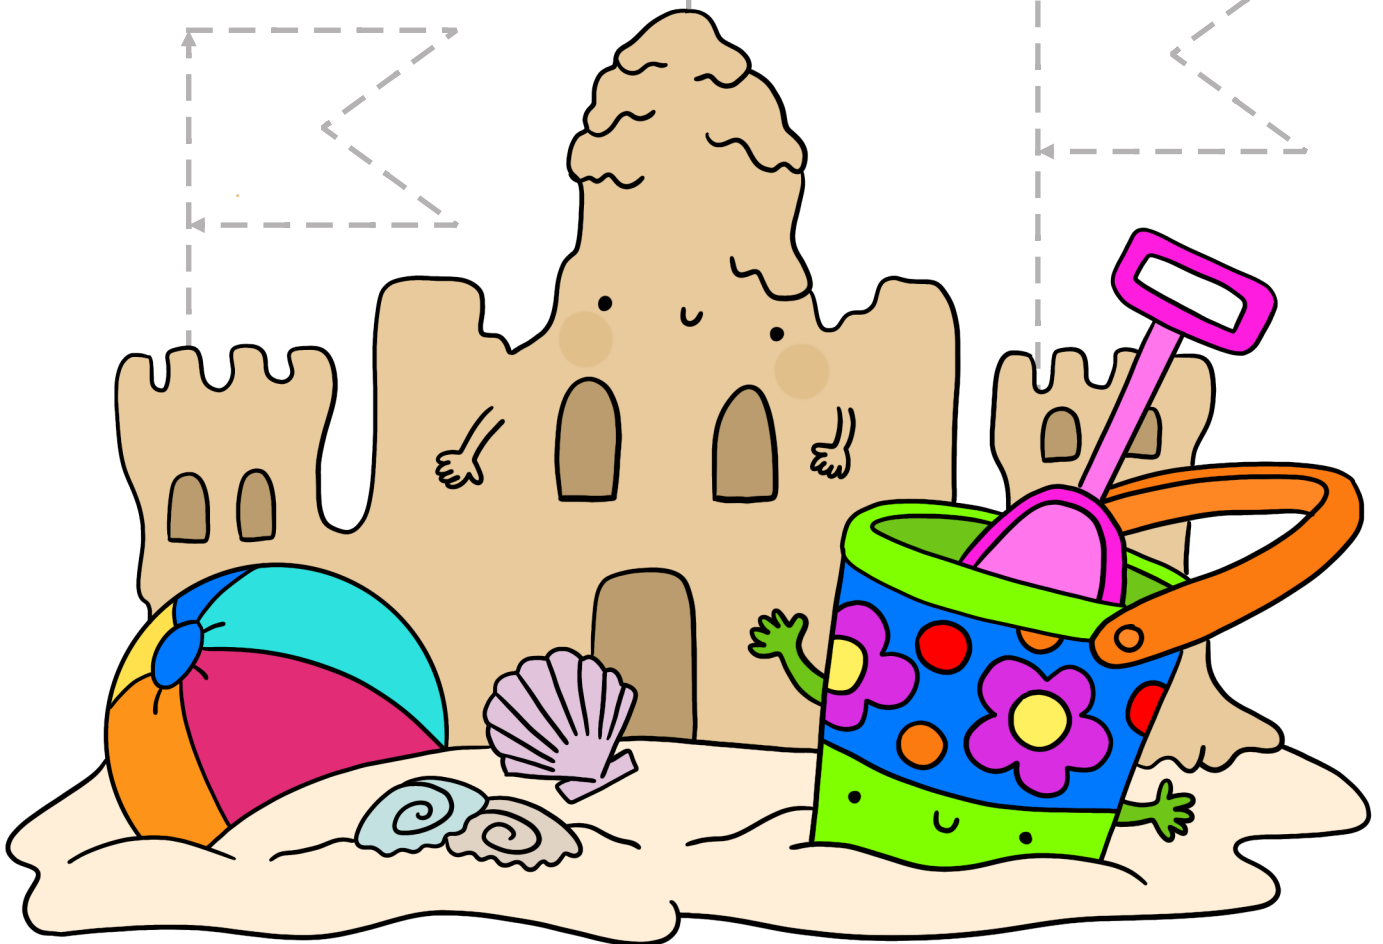

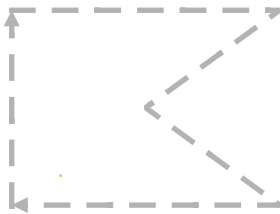

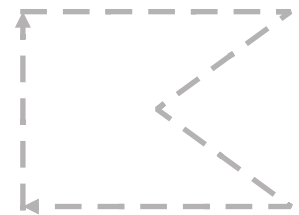

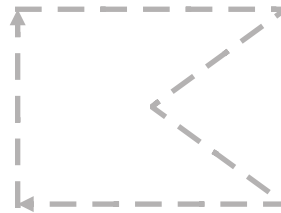

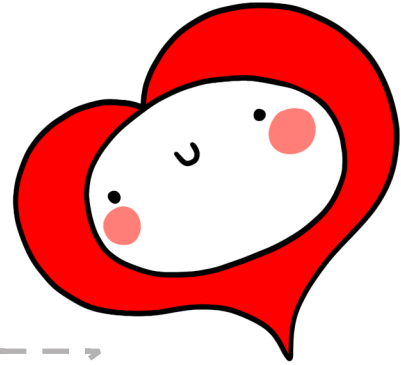

OGNI PESCE HA LA SUA FORMA:
LINEE DRITTE, CURVE E SPEZZATE
PRONTE PER ESSER RIPASSATE.

NUOTARE È DIVERTENTE, MA È ANCHE FATICOSO
DOPO UN'AVVENTURA CI VA UN PO' DI RIPOSO.

CARI PESCIOLINI, ADESSO TORNO A RIVA
A GIOCARE CON LA SABBIA. EVVIVA!

MARTA HA COSTRUITO UN GRAN CASTELLO!
RIPASSA I DETTAGLI E SARÀ ANCOR PIÙ BELLO.
