

A special tree

Once upon a time
there was a sad
tree. It had no
flowers or fruits,
only sharp needles
instead of leaves.

One day, a little
angel heard the
tree crying and
wanted to help.

That night, while the
tree was sleeping,
the angel put shiny
balls, lights, and
ribbons on it.

The next morning,
the tree saw children
smiling at it.

What a surprise!
It was now a
Christmas tree
and it was happy
forever.
