

A hand-drawn illustration of a sun. The sun's face is a large circle with a thick black outline and several concentric inner circles. Inside this circle, the text "I RICORDI CHE MI HANNO RESO LA PERSONA CHE SONO ..." is written in a bold, black, sans-serif font. The sun has several thick black rays extending outwards from the central circle. The background is white with some faint, sketchy lines suggesting a sky or clouds.
