

QUANTI PESCI, CHE CAMPIONARIO,  
IL MARE È DAVVERO STRAORDINARIO!

NE HO VISTI ALCUNI PARECCHIO INTERESSANTI  
CHE NUOTANO TRANQUILLI UN PO' PIÙ AVANTI.

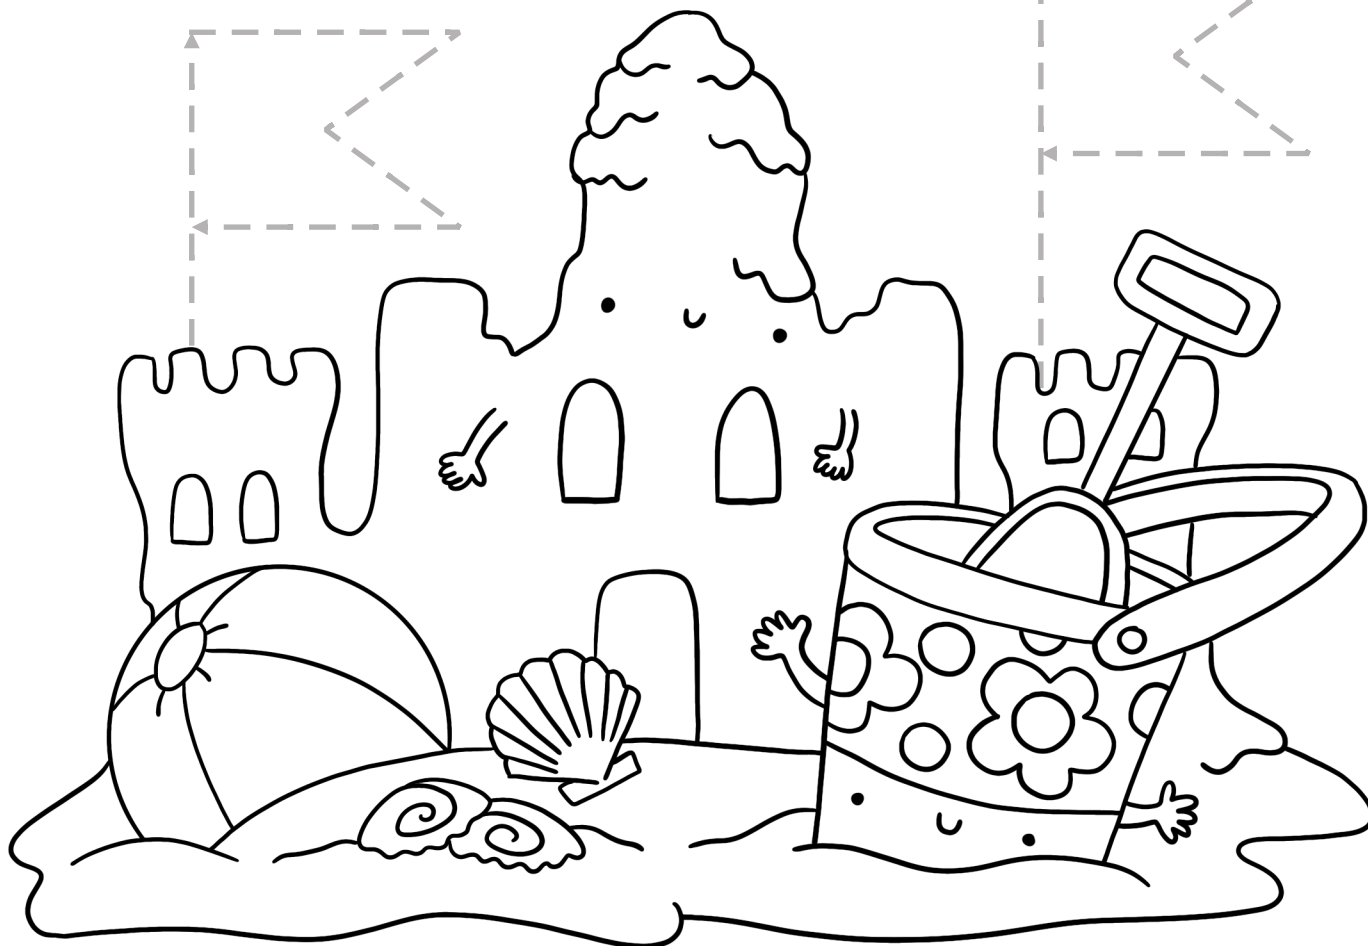

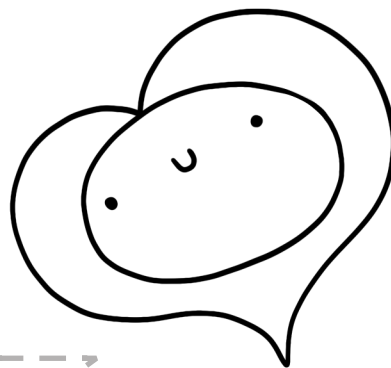

OGNI PESCE HA LA SUA FORMA:  
LINEE DRITTE, CURVE E SPEZZATE  
PRONTE PER ESSER RIPASSATE.

NUOTARE È DIVERTENTE, MA È ANCHE FATICOSO  
DOPO UN'AVVENTURA CI VA UN PO' DI RIPOSO.

CARI PESCIOLINI, ADESSO TORNO A RIVA  
A GIOCARE CON LA SABBIA. EVVIVA!

MARTA HA COSTRUITO UN GRAN CASTELLO!  
RIPASSA I DETTAGLI E SARÀ ANCOR PIÙ BELLO.
